

SINCE 1980

MASSIMO®
POWER FOR LIFE

GOLF CART BATTERY

Low Maintenance
High Performance

**DEEP CYCLE
FLOODED BATTERY**

MADE IN INDIA

MASSIMO®
POWER FOR LIFE

GOLF CART BATTERY
DEEP CYCLE
FLOODED BATTERY

KEY APPLICATIONS

MASSIMO DEEP CYCLE series is specially designed for powering electrical equipment for longer periods of time with increased ability of deep discharge cycles.

TECHNICAL SPECIFICATIONS

Battery Type	Capacity C20(Ah)	Capacity C10(Ah)	Capacity C5(Ah)	RC (min)	Dimensions			Terminal
					L	W	H	
6V-225AH	225	205	180	440	261	180	262	DUEL
8V-170AH	170	155	145	290	261	180	262	DUEL
12V-140AH	140	126	113	250	332	183	275	DUEL

MAIN BENEFITS

- Specially Designed High Antimonial Alloy Grid For Less Corrosion And Robust Performance
- Thicker Glass Matt With Low Resistance PE Separator For Extra Performance
- Higher Cycle Life : On 80% DOD
- Complete Range Available
- Speciality Designed For Extra Durability On Higher DOD %

Manufacturing Facilities:

Zunax Energy Products LLP

Unit 1: Sy No. 806, Farooq Nagar Mandal
Burgula Village, Dist. Ranga Reddy
Telangana -509202 (INDIA)

Unit 2: Plot No. 24, IDA Kothur, Dist.
Ranga Reddy, Telangana- 509228
(INDIA)
